

1 1456MR is an AEC 0860 6x6 which was based at Camberwell (Q). It passed to National Rescue at Brooklands registered **XGP 389W**.

2 1457MR is an AEC 0859 6x4 which was based at Cricklewood (W). It passed to Imperial via Blue Triangle registered Q888 FLE.

Apart from the front axle, not seen in detail in most photos, the only visible difference between them is in the wing mirrors. 1456MR has one offside mirror, 1457MR has two.

3 The shot of 'two-mirrors' 1457MR taken at Thamesmead in 1985 shows it with same reg **XGP 389W** as shown above on 1456MR.
